1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- ☒ Employ effective maintenance and management policies to minimize the number of public housing units off-line
- ☐ Reduce turnover time for vacated public housing units
- ☐ Reduce time to renovate public housing units
- ☐ Seek replacement of public housing units lost to the inventory through mixed finance development
- ☐ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources

- ☐ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☐ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- ☒ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- ☐ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- ☐ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☒ Other (list below)
Maintain full lease-up status through supportive policies and procedures

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- ☒ Apply for additional section 8 units should they become available
- ☐ Leverage affordable housing resources in the community through the creation of mixed - finance housing
- ☐ Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- ☐ Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- ☐ Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- ☐ Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- ☐ Employ admissions preferences aimed at families with economic hardships
- ☐ Adopt rent policies to support and encourage work
- ☒ Other: (list below)
Monitor federal targeting requirements to meet or exceed through appropriate policy setting practices.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- ☒ Employ admissions preferences aimed at families who are working
- ☐ Adopt rent policies to support and encourage work
- ☐ Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- ☐ Seek designation of public housing for the elderly
- ☐ Apply for special-purpose vouchers targeted to the elderly, should they become available
- ☒ Other: (list below)
Apply marketing strategies to attract clientele. Strategies to include, but not limited to, upgrade and improve units and buildings, activities, advertising, and maintain security.

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- ☐ Seek designation of public housing for families with disabilities
- ☒ Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- ☐ Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- ☐ Affirmatively market to local non-profit agencies that assist families with disabilities
- ☐ Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- ☐ Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- ☒ Other: (list below)
Continue marketing efforts to increase awareness of available programs
Continue networking efforts on available program information to share

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- ☒ Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- ☐ Market the section 8 program to owners outside of areas of poverty /minority concentrations
- ☐ Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)**(2) Reasons for Selecting Strategies**

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- ☐ Funding constraints
- ☒ Staffing constraints
- ☐ Limited availability of sites for assisted housing
- ☐ Extent to which particular housing needs are met by other organizations in the community
- ☐ Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
- ☐ Influence of the housing market on PHA programs
- ☐ Community priorities regarding housing assistance
- ☐ Results of consultation with local or state government
- ☐ Results of consultation with residents and the Resident Advisory Board
- ☐ Results of consultation with advocacy groups
- ☒ Other: (list below)
 - Funding Availability
 - Extent to which housing needs are met by other organizations and programs
 - Evidence of housing need as demonstrated in the Consolidated Plan
 - Current housing market
 - Result of consultation with residents and the Resident Advisory Board

2. Statement of Financial Resources

[24 CFR Part 903.7 9 (b)]

List the financial resources that are anticipated to be available to the PHA for the support of Federal public housing and tenant-based Section 8 assistance programs administered by the PHA during the Plan year. Note: the table assumes that Federal public housing or tenant based Section 8 assistance grant funds are expended on eligible purposes; therefore, uses of these funds need not be stated. For other funds, indicate the use for those funds as one of the following categories: public housing operations, public housing capital improvements, public housing safety/security, public housing supportive services, Section 8 tenant-based assistance, Section 8 supportive services or other.

e. ☒ Yes ☐ No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

(2)Waiting List Organization

a. Which methods does the PHA plan use to organize its public housing waiting list (select all that apply)

- ☒ Community-wide list
- ☐ Sub-jurisdictional lists
- ☐ Site-based waiting lists
- ☐ Other (describe)

b. Where may interested persons apply for admission to public housing?

- ☒ PHA main administrative office
- ☐ PHA development site management office
- ☒ Other (list below)
- Fax or Mail

c. If the PHA plans to operate one or more site-based waiting lists in the coming year, answer each of the following questions; if not, skip to subsection **(3) Assignment**

1. How many site-based waiting lists will the PHA operate in the coming year?

2. ☐ Yes ☐ No: Are any or all of the PHA's site-based waiting lists new for the upcoming year (that is, they are not part of a previously-HUD-approved site based waiting list plan)?
If yes, how many lists?

3. ☐ Yes ☐ No: May families be on more than one list simultaneously?
If yes, how many lists?

4. Where can interested persons obtain more information about and sign up to be on the site-based waiting lists (select all that apply)?

- ☐ PHA main administrative office
- ☐ All PHA development management offices
- ☐ Management offices at developments with site-based waiting lists
- ☐ At the development to which they would like to apply
- ☐ Other (list below)

(3) Assignment

a. How many vacant unit choices are applicants ordinarily given before they fall to the bottom of or are removed from the waiting list? (select one)

- ☐ One
- ☐ Two
- ☒ Three or More

b. ☒ Yes ☐ No: Is this policy consistent across all waiting list types?

c. If answer to b is no, list variations for any other than the primary public housing waiting list/s for the PHA:

(4) Admissions Preferences

a. Income targeting:

- ☒ Yes ☐ No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 40% of all new admissions to public housing to families at or below 30% of median area income?

b. Transfer policies:

In what circumstances will transfers take precedence over new admissions? (list below)

- ☒ Emergencies
☒ Overhoused
☒ Underhoused
☐ Medical justification
☒ Administrative reasons determined by the PHA (e.g., to permit modernization work)
☐ Resident choice: (state circumstances below)
☒ Other: (list below)
Need for handicap accessible unit

c. Preferences

1. ☒ Yes ☐ No: Has the PHA established preferences for admission to public housing (other than date and time of application)? (If "no" is selected, skip to subsection **(5) Occupancy**)

2. Which of the following admission preferences does the PHA plan to employ in the coming year? (select all that apply from either former Federal preferences or other preferences)

Former Federal preferences:

- ☐ Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
☐ Victims of domestic violence
☐ Substandard housing
☐ Homelessness
☐ High rent burden (rent is > 50 percent of income)

Other preferences: (select below)

- ☒ Working families and those unable to work because of age or disability
☐ Veterans and veterans' families
☒ Residents who live and/or work in the jurisdiction
☐ Those enrolled currently in educational, training, or upward mobility programs

D. Other Information Required by HUD

Use this section to provide any additional information requested by HUD.

Definition of Substantial Deviation and Significant Amendment/Modification

In addition to the most current regulatory requirements, the St. Clair Shores Housing Commission defines substantial deviation as the following:

- Changes to the Consolidated Plan that would generate an inconsistency
- Application of any new program type (i.e., homeownership, family self-sufficiency, etc.)
- Changes to rent or admissions policies or organization of the waiting listChanges to rent determination policies
- Additions of non-emergency work items not included in five-year plan (CFP)
- Change in the use of replacement reserve funds (CFP)
- Change in any demolition, disposition, designation or conversion activities

Any substantial deviation to the most currently approved PHA Plan will result in the submission of an amended PHA Plan to the U.S. Department of Housing and Urban Development. All proposed actions/changes are subject the approval of an amended PHA Plan in accordance with most current regulatory requirements.

Attachment B

Progress Report *Five-Year Plan Mission and Goals*

- Improve the quality of assisted housing

An ongoing effort to meet and exceed indicator requirements of the Public Housing Assessment System (PHAS) is paramount. Through this process, the level of customer satisfaction is closely monitored. (resident survey). Results of the survey are used to best direct attention in specific areas. Based on the Uniform Physical Conditions Standards (UPCS), aggressive efforts are made to inspect and maintain properties according to the standard.

The Resident Satisfaction Survey results directly influence the marketing and operational efforts of the day-to-day operations.

- Increase assisted housing choices

Section 8 Voucher Program payment standards were increased to the current Fair Market Rent (FMR) to continue to provide a broad range of housing opportunities outside minority concentrated areas. The Commission provides the public with rental assistance program information to expand housing choices. Marketing efforts continue to make the public more aware of the Housing Commission's programs and how to get on the waiting list when it's open. To further assist in the housing search under the Voucher Program, marketing for owners through outreach efforts is ongoing in our day-to-day operations and continual encouragements.

- Promote self-sufficiency and asset development of assisted households

A quarterly newsletter provides information on child care, medical insurance, transportation, financial management, and homeownership programs and opportunities. The Commission maintains a library of information for distribution. The Housing Commission also purchases self-sufficiency information booklets, etc and mails them to program participants on a regular basis (usually no less than annually).

- Maintain standard of quality of life

The Housing Commission monitors crime and security needs on an ongoing basis. The modernization program needs assessment is updated on a regular basis with work items being scheduled first in the Five-year Plan and then budgeted in the CFP Annual Statement. Preventative maintenance is standard practice in property upkeep and Reac inspection findings are categorized/organized then introduced into work load for clearance

Voluntary Conversion Assessment

St. Clair Shores Housing Commission (MI059)

Developments subject to the required initial assessment:

Scattered Sites (MI059-002)

Developments non subject to the required initial assessment:

Leisure Manor I (MI059-001) elderly
Leisure Manor II (MI059-004) elderly

Assessments conducted the PHA's covered development:

Cost comparison // 288.71(pum) vs. 334 (avg hap)

Principally beneficial

- No benefit to the community
- Commission currently offers well-maintained scattered site properties at a lower rate of operational expense

Effect on available affordable housing

- Adverse effect to affordable housing opportunities at an increased rate

Certification

The St. Clair Shores Housing Commission certifies that it has:

- Reviewed the development's operation as public housing;
- Considered the implications of converting the public housing to tenant-based assistance; and
- Concluded that conversion of the development would be inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion as described in the interim rule dated June 22, 2001.

Resident Advisory Board Recommendations

Discussion:

A general overview of the Agency Plan process and contents was provided. The modernization program was the general focus of questions, comments, and recommendations. Current modernization projects, funding, procurement processes, and priorities were reviewed.

Recommendations:

Suggestion:

Leisure Manor (LM) Hallway Windows – A tenant suggests that the Housing Authority (HA) put windows in the halls with vents or small windows near the top of existing windows so they could open in summer.

Response:

LMI is a three (3) story building and currently has operable windows in the halls. LMII is an eight (8) story building and due to height restrictions, operable windows in the halls are not possible. The HC has an Air Makeup System (AMU) that pulls air in from the outside, circulates to the inside, and then redistributes it back outside continually 24 hours a day. An AMU system is not meant to create a “breeze”, however.

The current AMU system heats the air in the winter, but does *not* presently include a cooling system for the warm summer air. It is noted that HUD funding supports *moderate* housing only and air conditioning was not an eligible expense of federal dollars when these buildings were built. In more recent times, however, HUD has allowed air conditioning where funding and priorities allow. A new AMU system has been planned for years, and the time has finally come for replacement. After analysis of electrical capacity, project energy expenses, and project financing, the HA has determined that the new AMU will now carry the addition of a cooling system to air condition the halls in the summer. The new system will regulate the hallway air more efficiently and maintain a moderate temperature making these common areas much more comfortable in the future.

Suggestion:

LM Entrance Seating – In the past year, entrance sitting (interior and exterior) has steadily grown from a small (2 - 4) and casual group (impromptu gathering) to large groups (8 -12) with regular (near daily) gatherings at both LMI and LMII. Concerns from tenants and visitors have grown heavily and equally with the situation. Although exchanges are polite and pleasant conversation, passers by are none-the-less intimidated and annoyed by the audience-type reception one has to endure when these groups are present. Suggestions for correction are absent and only carry the want for these people to be gone from the entrance areas.

Response:

During the winter of '06 efforts to introduce more activities were made. Speakers were brought in and activities meetings were advertised to develop a committee. The activities committee involved the HA, tenant council, and other interested tenants. Many productive ideas were developed at the meetings. Unfortunately, no volunteers would come forward to coordinate or lead any of the activities developed. Then the HA published newsletter articles and bulletin board postings explaining the impact of entrance seating and asked tenants to refrain from this

practice. Timing was correlated with the warmer weather and encouraged new habits to be formed starting with the new season. Tenants are asked to avoid large gatherings at the entrance areas (interior and exterior) and to utilize the many other seating areas available inside as well as the courtyard for exterior seating.

For exterior gatherings, the HA reduced seating at the entrances in compliance with ADA requirements, also and thus, eliminating excessive seating opportunities in these areas. Additional seating, ashtrays, and custodial attention has also been provided to the courtyard to provide an alternate gathering space outside.

For interior gatherings, the HA continually posted explanations and reminders at the main lobby areas.

Positive changes were noted immediately with gatherings taking place in the other (interior) common area spaces as well as the courtyard for exterior seating. Unfortunately, entrance areas carry much more interest and these new habits were short lived; old habits returned only months later.

Seating at entrance areas has a primary purpose of short-term use; primarily for transportation pickup, gathering packages after drop off, and rest while retrieving mail before returning back to the apartment. At LMI, the need for rest is more significant as the halls are long and some mobility impaired individuals need to regroup before making that long trip back to their units.

The HA has had common area upgrades planned for both LMI and LMII, currently scheduled for 2008 Capital Funds. The upgrades include wallpaper, carpet, furniture, and community room remodel for LMII and transforming an old meeting room into a game room, and community room remodel for LMI. The HA now intends to include a refashion of the main lobby spaces at both LMI and LMII to eliminate a majority of the seating in these areas, only leaving enough seating to accommodate one or two people at a time. This will still allow for the intended use of the main lobbies, while eliminating excess seating. As these are spacious areas; hall tables and floor plants will fill the voids created from the eliminated seating.

The HA encourages tenant gatherings and camaraderie; and will continue to provide areas in which to share conversation and visit. Unfortunately, these large groups at the main lobbies are found offensive by current tenants, visitors, and discouraging future tenancies. At this point, the HA will proceed with plans to refashion the main lobbies to reduce current gatherings and well as discourage reoccurrence in the future.

Suggestion:

LM Parking Lot – A tenant submits a concern for having to use the overflow lot at blossom heath blvd, while visitors use the tenant lot. No suggestion for correction is submitted, only the want for the visitors to park at blossom heath leaving the main lot open for tenants.

Response:

LMI visitors have to use the main lot in order to utilize the security entry system. LMII tenants have been asked to have visitors park at the blossom heath lot through a permanent sign at the vestibule and periodic newsletter reminders. As it has been awhile since the last reminder, the HA will publish one in an upcoming newsletter.

Suggestion:

LM Lobby Furniture – A tenant submits a suggestion that the lobby furniture be covered in plastic.

Response:

Upon discussion it is found that this request is based on an incontinence problem with a tenant. The HA will not be covering all the furniture in plastic based on an isolated incident. The tenant has been identified and efforts will be made to assist in the avoidance of reoccurrence. A work order has been issued to have maintenance clean the piece in question and will continue to monitor for reoccurrence.

Suggestion:

LM I Signage – A tenant submits a suggestion that the lobby floor indicator signs be changed to a different color so they don't blend into the wall paper so much.

Response:

The HA agrees that the contrast in color would improve the signs. The upgrade has been added to the physical needs assessment for consideration during the common area upgrades planned with the 2008 Capital Fund Program.
